December 2020 has been yet another busy month for us at KBM Consultants. We have been engaged in conducting various 'Study Abroad' activities such as Webinars on Facebook, Seminars in Gujarat City, and going live on regional television in Pakistan.

Messages from the CEO

Mr. Kamran Khan took the responsibility upon himself on 18th December to record a message for Facebook to let his audiences be aware of the new immigration rules affecting international students after Brexit, January 2021.

As the CEO of KBM Consultants, Mr. Kamran Khan was in Pakistan in December, he specifically dedicated time, out of his busy schedule to come live on regional channel 24NEWS on Monday 21st December 2020 to update parents and students about the current Covid situation and possibilities still available regarding the process of studying abroad. Encompassing very vital information from courses and careers, to how to obtain visa, accommodation, finances and more. He urged that there is still time to apply in

many Universities around the world for 2021 intake and guided them how to go about the whole process.
