KBM Group has officially launched Media Solutions Courses, English language Course and IELTS in 2014.

KBM Group has officially launched Media Solutions courses by KBM Training and Recruitment. These courses include Practical Web Development, Practical Graphic Designing and Practical Computer Networking, Online Marketing and Software Development. We have designed these courses as to teach our students about all the elements that are needed to become a perfectionist in the field of Web development, Graphic designing, IT networking and Social media. We will act as a gateway to provide a wide range of Recruitment and Training services to fill specialized professional positions.

KBM Group in collaboration with KBM British school of English has offered IELTS course and English language communication skills in Lahore Pakistan. These courses are designed for the students who wants to study abroad and for work purposes. that helps in bringing an extensive yet quick improvement in their English language and depth understanding of the English and its role in the world.
